Visual Motifs

The MoodSync Stripes

The Moodsync Stripes should adhere to the dimensions listed for the sake of all print assets, to assure maximum alignment. However, due to the nature of digital displays, variation is permissible in digital formats. However, proportions must remain adherent.

E-MAIL ALERTS

YOU ARE ALIGNED.
KEEP IT THAT WAY.

This is your personalised daily reminder, EMPLOYEE 0024601. Your biometric information is being monitored for your own wellbeing and that of your associates.

We are reaching out to notify you that your MoodScore® falls within
ACCEPTABLE PARAMETERS.

MAINTAIN THE OPTIMAL PERFORMANCE.

This is a daily motivational reminder. Daily motivational reminders are not merely a privilege, they are a mandate. Opting out is not an option. Any attempt at blocking these notifications will be met with immediate punitive measures, at the will of the Algorithm, up to and including Redaction.

CERTIFICATION OF ALIGNMENT

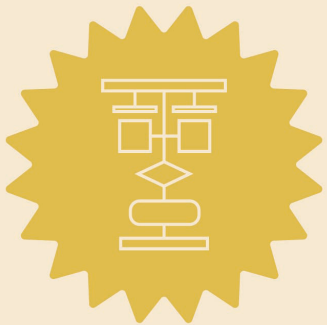

This document verifies that the employee specified herein has spent 30 consecutive days with a MoodScore™ within optimal¹ parameters.

MAINTAIN THE OPTIMAL PERFORMANCE.

This Certification Is Hereby Inflicted Upon:

Jennifer Fisher
Bureau of Regulation
Algocratic Futures

Worker No. **0024601**

¹Definition of "optimal" subject to change at the will of The Algorithm.

This document is not legally binding. This document does not guarantee future performance of the employee specified herein. This document can be revoked at will by the Algorithm if the aforementioned employee's MoodScore™ falls outside of optimal parameters. Reproduction, alteration, or any other unauthorised use of this document will result in immediate punitive measures (up to and including redaction) at the will of the Algorithm. Valid only where faith in reality exists.

MoodSync 2.0

User Disorientation Manual

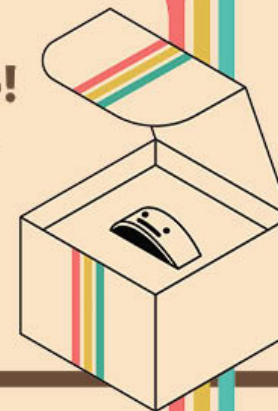

Do you constantly worry
about being "too much"?

Are you adrift in a sea of
indecipherable social cues?

Are you afraid of becoming...
"THE INCIDENT?"

The Solution Is Here!

MoodSync's Mood Ring 2.0 is here to help you solve the age-old problem ubiquitous to all of humanity—that of emotional affect. No more guessing, no more self-monitoring. MoodSync is here to manage it all!

Getting Started

Step 1.

Place Mood Ring 2.0 on finger. Our state-of-art One Size Fits Always technology ensures that Mood Ring 2.0 will never come loose. Mild stinging sensations are to be expected. If bleeding, swelling, or metallic taste in the mouth appear, notify your supervisor immediately.

Step 2

You will find that the MoodSync app is downloaded on your phone, for your convenience. This is normal. Do not question it,

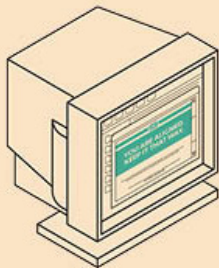

Step 3.

Enjoy that Syncing Feeling! Let MoodSync's AI handle all of it.
